

# Addresses to Remember

*Looks like these leaders were up too late trying to collect every card*

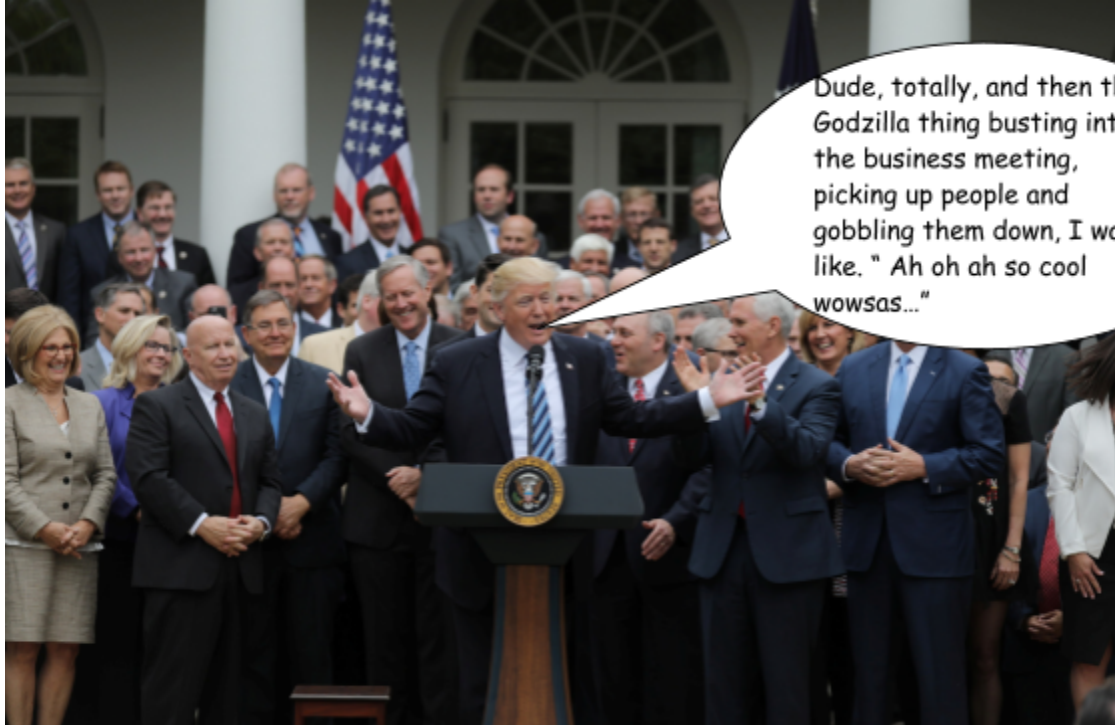

Um, Dude, the general with his guts everywhere after he was stepped on, going "Bluuuuhhuhuhhh", and his cane was like "....." Holy Balls, ladi!

Man, I can't forget the giant dinosaurs freakin smashing the Tower of Pisa going "RAAWWARR". I was like "OOOOOO" those dinos are gettin' it.

Dude, totally, and then the Godzilla thing busting into the business meeting, picking up people and gobbling them down, I was like. " Ah oh ah so cool wowsas..."

Incredible, the Saurian whispering into Dr. Thorne's ear, probably scaring him with death sounds like pwew pew pew, and boom eeeerrrrr!
